

Athletics

Haddonfield Bulldogs learn teamwork, time management, self-discipline and sportsmanship as they represent their schools in athletic activities. In the spirit of inclusiveness, the Haddonfield school district has a “no-cut” policy for almost all sports. Nearly 85% of high school students are members of one or more of our athletic teams.

In New Jersey high school sports, the ultimate recognition of success is the ShopRite Cup that is awarded annually by the NJ State Interscholastic Athletic Association for the best all-around athletic program. Haddonfield Memorial High School has won the ShopRite Cup for Group II schools every year since the award was established in 2004 — a testament not only to the prowess and dedication of our student athletes but also to the support of our coaches, parents, administrators and alumni.
